

Autlán refinances short-term debt

September 28, 2018

Compañía Minera Autlán, S.A.B. de C.V. (Autlán) informs the investing public that a deferred unsecured loan of \$ 400 million pesos was contracted for four years with the Industrial and Commercial Bank of China (ICBC). The funds were used to refinance the lines of credit used to pay the cash portion of the Metallorum acquisition, improving its debt profile.

Autlán is a Mexican company with worldwide recognition for the quality and specialization of its products, strategic supplier of minerals and manganese ferroalloys. We generate value for our shareholders, staff and clients using the experience, the best available technology and future development projects as part of the values and growth of the company.
