Additional information incorporated into the Annual Report 2015

August 3, 2016

Compañía Minera Autlán, S.A.B. de C.V. (Autlán) informs the investing public that, in order to comply with the observations made by the National Banking and Securities Commission on August 3, 2016, Autlán today retransmits the Annual Report corresponding to the year 2015 sent last August 2, 2016. The comments made focused on replacing the Report of the Audit Committee for the year 2012 with the 2015 Report.

Autlán is a Mexican company with worldwide recognition for the quality and specialization of its products, which provides the steel industry with dry batteries, ceramics, micronutrients and / or fertilizers. The backward integration of key inputs, our operational strength, a growing market, proven reserves for the next 40 years and qualified and committed personnel support the strength of the company.
