

The fusion between Autlán and Metallorum takes full effect

September 17, 2018

Compañía Minera Autlán, S.A.B. of C.V. (Autlán) informs the investing public that on Saturday September 15, 2018, once the requirements, legal deadlines and the pertinent authorizations were met, the merger between Autlán and Metallorum (Autlán as a merger and Metallorum as merged and disappearing) became fully effective, which was timely reported by this means on March 8, 2018 and through the Information Brochure released on April 10 of this year.

By virtue of the foregoing, as of the aforementioned date, Autlán has absorbed Metallorum by merger, uniting successful operating synergies and expanding its business portfolio, with which Autlán advances with its long-term strategic growth plan reiterating its commitment to the development of Mexico.

Autlán is a Mexican company with worldwide recognition for the quality and specialization of its products, strategic supplier of minerals and manganese ferroalloys. We generate value for our shareholders, staff and clients using the experience, the best available technology and future development projects as part of the values and growth of the company.
