

Press Release

February 16, 2021

In relation to today's behavior of the security with the ticker "AUTLANB", Autlán informs the investing public that the company is not aware of the causes that led to the increase of more than 7%, which corresponds to market conditions.

With the information that is known by the issuer up to this moment and as the procedure to obtain information was carried out in accordance with article 53 of the General Provisions applicable to issuers and other participants in the securities market, it is not known that members of the company's board of directors, relevant executives or its repurchase fund participated in the movements presented. In the event that, after a more exhaustive review, additional information is identified in this regard, it will be disseminated today or no later than the next business day, by this same means and in accordance with the regulatory framework.

This clarification is made at the request of the Mexican Stock Exchange, based on the provisions of article 106 of the Securities Market Law and article 50, last paragraph, of the General Provisions applicable to issuers of securities and other market participants.

Autlán is a Mexican company with worldwide recognition for the quality and specialization of its products, strategic supplier of minerals and manganese ferroalloys. We generate value for our shareholders, staff and clients using the experience, the best available technology and future development projects as part of the values and growth of the company.

AUTLÁN DRIVING TOMORROW'S RESOURCES
