

PCR Verum Improves Short-term and Long-term Rating

December 7, 2022

Compañía Minera Autlán, S.A.B de C.V. (Autlán) informs that Verum Calificadora de Valores (“Verum”) has **upgraded** its corporate ratings. For the long-term to **A/M** from A-/M with Stable Outlook and for the short-term to **1/M** from 2/M.

In its report, Verum mentions that the ratings are based on the strengthening of the financial profile and resilience in operations despite the complex environment. It highlights the improvement in the liquidity position and the favorable evolution in EBITDA generation, coupled with the proper management of resources.

With this ratification of its corporate ratings, Autlán reaffirms its financial and credit strength, providing support and capacity to its strategic growth plan.

Autlán is a Mexican company with worldwide recognition for the quality and specialization of its products, strategic supplier of minerals and manganese ferroalloys. We generate value for our shareholders, staff and clients using the experience, the best available technology and future development projects as part of the values and growth of the company.
