

## Fitch ratifies Autlán's Short-Term Rating of F1

November 3, 2023

---

Compañía Minera Autlán, S.A.B de C.V (Autlán) announces that Fitch Ratings ("Fitch") reaffirmed its short-term rating of **F1(mex)** of the company's Dual Placement Program of Unsecured Notes.

In their report, Fitch mentions that the reaffirmation of the rating is attributed to the competitive cost structure and flexibility to adjust its production to market demand, all while preserving profitability throughout the industry cycle. Additionally, maintaining liquidity.

The rating confirmation is evidence of the company's efforts to maintain positive margins despite challenging, mostly external conditions that have arisen during the year. This indicates that the company has worked diligently to overcome the obstacles it has faced, reflecting efficient management and great ability to adapt to difficult situations.

*Autlán is a Mexican company with worldwide recognition for the quality and specialization of its products, strategic supplier of minerals and manganese ferroalloys. We generate value for our shareholders, staff and clients using the experience, the best available technology and future development projects as part of the values and growth of the company.*
